Legislation At A Glance: From the School House to the State House

A program of the
Indiana Association of School Principals

Legislation At A Glance:

From the School House to the State House affords students a vehicle for experiencing first-hand the legislative intricacies of policy and decision-making in our state government. Participating in this extended learning opportunity, students will understand the correlation between policy at the school level with that at the state level.

We will notify your representative and senator of your attendance. Your principal may like to attend the Education Committee hearing on this day and be with your group throughout the day.

Each date will include speakers, a State House tour and the popular Mock Bill in the Making (smaller groups).

Program concludes at 2:15 P.M.
