

Indiana Academic Competition teams are not required to buy books from Barnes & Noble Booksellers, but receive a discount on most materials by using the following instructions and form.

Coaches should check their library and team materials from past contests, since some of these materials have been used for past contests.

Most of the books on the following order form will be available for pick-up at the October 4 Academic Coaches Conference. Due to publisher shipping dates, some may not be available on that day.

Barnes & Noble will have information on October 4 about any books not on hand that day.

Barnes & Noble - Greenwood Park is pleased to provide you with reference materials for your academic competitions, and have special ordered large quantities of these books for your convenience.

Barnes & Noble is offering a discount on print titles, and free shipping to schools.

Buying At the Conference

You may purchase your books at the Coaches Conference and take them with you that day. In order to do this, you must pay by check, a bank credit card, or cash. If you are using a purchase order, you must have a Barnes & Noble account in order to be billed. The account number must be on your order form.

Nook Books

Most titles are available in ebook format which can be read on a Nook. Barnes & Noble will have Nooks available to purchase at the Academic Coach Conference on October 4. Nook Book prices are not discounted, but are listed on the order form for comparison - You DO NOT have to order Nook Books through the order form or through the Greenwood Park store.
