PURDUE
UNIVERSITY

Indiana Academic Super Bowl Senior Division
Squad Registration Form

Coaches will complete this form on the day of the contest when they arrive at their host site. Senior Division teams may participate in up to 6 rounds of competition.
- Coaches may make up to 6 students eligible for each subject area squad, although only 5 would be able to compete in a single contest.
- Coaches may make up to 8 students eligible for the Interdisciplinary round squad, although only 7 would be able to compete in a single contest.
- Any given student may compete on a maximum of two subject area squads and may also compete on the Interdisciplinary squad (three squads total).

School # **Number of Students**

First Name	Last Name	English	Fine Arts	Math	Science	Social St.	Intdis

No changes can be made to this form after it is turned in to the registration official at the competition site. A coach will be allowed to register a squad member who will be late (such as participating in a track meet and then coming later to the Super Bowl, etc.) This is also acceptable if a Senior Division student has to miss the Area competition but would be available for the State Finals if the squad qualifies. However, this student must be registered and marked as a member of each subject squad on which he/she will participate. ONLY those students designated on this form as eligible for a specific round will be eligible for the State Finals if that squad advances. To provide flexibility in the event your squad qualifies for State Finals, you may mark up to 6 students in all rounds, EXCEPT in Interdisciplinary, in which you may mark up to 8 students, even if they all may not compete at the Area competition.

I have read and understand these rules. Coach Signature: _____
