

Indiana Academic Competition teams are not required to buy books from Borders, but receive a discount on most materials by using the following instructions and forms.

Coaches should check their library and team materials from past contests, since many of these materials have been used for past contests.

Many of the books on the following order form will be available for pick-up at the Sept. 30 Academic Coaches Conference. Due to some difficulties confirming sources and publisher shipping dates, some may not be available on that day.

---

BORDERS/Castleton-Indianapolis is pleased to provide you with reference materials for your academic competitions. We have special ordered large quantities of these books for your convenience.

BORDERS is also offering a 20 percent discount on stock titles. A five percent discount will be offered on non-stock titles. Orders over \$1000.00 receive a 25 percent discount on stock titles.

### **Buying At the Conference**

You may purchase your books at the Coaches Conference and take them with you that day. In order to do this, you must pay by check, a bank credit card, or cash. If you are using a purchase order, you must have a BORDERS account in order to be billed. The account number must be on your order form.

### **Buying After the Conference**

You may also order books after the conference and have them shipped to your school. Simply download and complete the order form from the IASP website and mail or fax it to BORDERS/Castleton. Be sure to have the order form filled out completely. Include a copy of your Indiana Sales Tax Exemption Certificate if you are paying by check.

Be sure to include the name and telephone number of the teacher/coach to whose attention the order should be shipped.

If the BILL TO address is different from the SHIP TO address, please include both addresses.

If your school is using a purchase order, you must have a BORDERS account in order to be billed. The account number must be on your order form. If you don't have an account, Robin at BORDERS will help you open one.

If your school prefers to pay by check, please call Robin to get the exact total for your order before issuing the check.

Tax exemption can only be applied to payment coming directly from school funds (school checks or credit cards) to BORDERS.

There is a minimum \$4.50 shipping fee for shipped orders. If your books weigh more than 20 pounds, you will pay the actual shipping costs.

If you are sending a "confirming order", please indicate this on the order form to avoid double shipments or you will pay the return postage.

Questions concerning your order? Please call BORDERS/Castleton and ask for Robin. If she is unavailable, leave your name, telephone number, and school name. She will return your call as soon as possible. She is in the store Monday through Friday. If the books you order are available, they can usually be shipped within one week.

		Total		

Return authorization is required.  
Prices and availability are subject to change without notice.  
Shipping is \$4.50. If package weight is over 20 pounds, the customer pays actual shipping costs.  
If you plan on using a purchase order, you must have a Borders account. A purchase order number is preferable to a check. If you must send a check, call Robin at Borders to get the total amount to avoid mistakes.  
Please direct ALL questions and orders to Robin. She is the staff member assigned to this project.

PLEASE NOTE: Personal checks, credit cards, and cash cannot receive tax exemption. Payment must come directly from school funds to vendor to be tax exempt.
