

The Indiana Association of School Principals (IASP) is proud to present the 2017 Rising Stars of Indiana. Each Indiana high school was invited to recognize up to four students currently in the 11th grade, based on their academic achievement. The Class of 2018 is surely promised success with the list of scholars below.

Please join IASP in congratulating these students on all they have already achieved, as well as offering support and encouragement as they continue their accomplishments and expand their knowledge, growth and leadership skills well into the future.

**Achieve Virtual Education Academy**

*Indianapolis*  
Ashley Armour

---

The Indiana Association of School Principals  
leads in the advocacy and support of all principals  
in their commitment to every child.

---

Rising Stars of Indiana is being presented for the first time in 2017 as a complement to the Indiana Academic All-Stars recognition program for high school seniors, now in its 31st year.

The Indiana Association of School Principals, through its Department of Student Programs, provides extra-curricular activities for students in grades 4 - 12. During the 2015-16 school year, over 41,000 students representing every Indiana county participated in IASP sponsored activities. Programs include Indiana Academic All-Stars, Indiana Academic Spell Bowl, Indiana Academic Decathlon, Indiana Academic Super Bowl, M.A.T.H. Bowl, Science Bowl, Martin Luther King Jr. Essay Writing Contest, Student Day At the Legislature, and the Indiana Cheer Championship.
