

INSPIRE³

Indiana Service-learning Philanthropy Initiative Resources to

Educate, Engage, and Empower

What Can Our INSPIRE³ program Consultant and Field Reps Do For YOU??

Great News!! Service Learning and Academic Standards go hand-in hand. You can **Educate** your students, **Engage** them in real-world problem solving and service opportunities, and **Empower** them to make their mark on the world! And the **BEST** news? You do not have to do this alone!

In addition to the services that Joan Belschwender, INSPIRE³ program Director can provide, our Consultant and Field Reps can offer the following services at no cost to Indiana schools throughout our state that are connected to our program:

- Service learning project ideation; individual or team/school-wide projects
- Connecting your service learning project ideas to academic standards
- Increasing student engagement
- Introduction to INSPIRE³ program and the FREE Learning to Give and generationOn website resources
- Utilizing the FREE Learning to Give lessons (philanthropy education lessons)
- Benefits to students, schools, and community of service-learning and philanthropy education
- Connection to Universal Design for Learning, IEP goals, social skills, and life skills (leadership),PBL, STEM, SEL, and Indiana Graduation Pathways

These offerings can be facilitated in:

- Full staff meetings
- Grade level meetings
- Service-learning team
- Administration trainings
- Professional Development Sessions and PLC meetings
