NEW IASP WEBSITE HAS LAUNCHED!

IASP has re-designed our website, and the new version was launched last week! As we work through this transition, please bear with us as we continue to work to get information posted to the appropriate places. You will need to update all of your bookmarks, as the URL addresses have changed for both pages and links posted to each specific page.

In the News

2019 INDIANA ACADEMIC ALL-STARS AND REGIONAL ALL-STARS

On April 25, 2019, at the Indiana Roof Ballroom, IASP honored 90 remarkable students in the state of Indiana: 50 who were honored as regional stars, and 40 who were selected as Indiana All Stars. Nineteen students in this distinguished group of scholars have combined at least a 4.0 GPA with a perfect score on the ACT or SAT, but the accomplishments of these 90 students go way beyond the classroom. They are academic and athletic competitors, artists, musicians, and community servants. They are Eagle Scouts and entrepreneurs and engineers. The students also recognized the influence of their teachers on their academic careers, honoring their most influential teachers in essays they included in their nomination packets. Those teachers were also recognized at this program.

Congratulations to this outstanding group of Indiana students!

LOCAL CHEER INVITATIONALS

IASP posts registration information for local high school cheer competitions for scholastic teams. While teams may use the Indiana Cheer Championship scoresheets, these contests are NOT sponsored by IASP and do not have any connection to the Indiana Cheer Championship events in the fall. Click on the links to the right to review registration information for events that have been shared with us so far. A full list will be updated on our website as information is sent to us.

The 2019 Indiana Academic Super Bowl Senior Area Competition was held on April 16th at 23 sites across Indiana. State-wide results were compiled and 98 different schools were named State Finalists across all 4 divisions and 6 subject areas. These teams will compete on May 4, 2019 at Purdue University. Congratulations to all teams!
